We are scheduled to start at 9, but we would have to pick the jury etc, so we should be able to work around your trial downstairs. Mine is in front of Judge Sweeney. She is in the first courtroom when you take a left off of the elevators on the 3rd floor. It's possible the case could still plea. It really should...

Hi Jim,

This case is being called into trial Monday at 9 am in Hampden Superior court. At this point it looks like a trial, so I will likely need you that day.

I will be faxing a summons.

Thanks,
Melissa

This case wasn't resolved today. It's currently in limbo, but could move quickly to a trial pool. Are there any dates in the next 2 weeks that you are not available?

Thanks

Hi Jim,

I just wanted to be sure you got the summons on this case. The cases may plea. Would you like to be on call so you don't have to come all the way here?

Thanks,

Melissa
